### Sept. 11 Meeting

**Helping to realize dreams**—Mandy Hinson, Tennessee Community and Donor Relations Associate at St. John's Community Services (SJCS), gave an overview of SJCS at the Sept. 11 meeting of Kiwanis. She said that "at St. John's we meet people where they are, creating a world of possibility." She outlined available services, including emergency shelter and support services for individuals and families experiencing homelessness. She also highlighted the permanent supportive housing with case management services that help youth move past homelessness. She also discussed the success of the employment services offered and the expansion of what's possible for people through the use of technology. Additionally, Mandy distributed a list of fall community events that support fundraising outreach for St. John's.

**Kiwanis at the local farmers market**—Members of the Kiwanis Club enjoy partnering with local groups to provide additional services and opportunities for youth involvement.
