**Post on FB, From LT:** Great little weekend away to Memphis to be a part of the 107th [Louisiana-Mississippi-West Tennessee District of Kiwanis International](#) Convention. As a first timer, I gained greater appreciation for the incredible work Kiwanis does within our region and met several members from various areas (who are doing great things)! Looking forward to discussing new ideas with Kiwanis Club of Martin! If you are an individual who loves to serve and give back to your community, you strive to be a positive influence, and you want to make a difference in the lives of children to where they know that others believe in them, nurture them, and provide the support they need to thrive, Kiwanis needs YOU!!!

Other members attending from the local club were Linda Ramsey and Jennifer Medford.

**Circle K Reorganization:** At last week's board meeting, Linda reported that Circle K has elected officers and that there will be an informal Charter Night on **August 12** at Trinity Presbyterian Church with a formal Charter Night to follow. All in the Martin Kiwanis Club are invited to attend. Linda shared that there is much excitement about chartering Circle K. Clinton Smith will be the faculty advisor, and Linda will be the Kiwanis advisor. The board voted to assist financially in getting the club started.

**Last week** Dr. John Glass, Director of the Office of Honors Programs at UT Martin, shared information about Programs of Honors Study and the University Scholars Program, which accepts 30 students from each entering class. Glass noted that since its founding in 1981, the University Scholars Program has emphasized the importance of individual integrity, academic achievement, and education that develops intellectual, moral, and social responsibility. He described study abroad opportunities available for a semester in Italy and a several-week immersion program developed for unique experiences in France and Spain. He noted that the travel opportunities are open to all and not just students specifically enrolled in Honors Programs.
